

Prosperity, Health and a Better Quality of Life

# Feng Shui By Design LLC

Feng Shui means wind and water.

It's an ancient Chinese art form that deals with the balancing of energy through the placement of objects. The goal of Feng Shui is for everything to be in harmony or balance. The Chinese word for energy is "chi". How the chi flows in your home or business affects your everyday life.

3 Major Principles of Feng Shui

Everything is alive

Everything is connected

Everything is always changing.
